### FREE SCHOOL MEALS

People with children who received Free School Meals are being issued with Farmfood Cards - £20 per child. These are being sent out this week and can be used in any Farmfoods shop. The card is linked to the child and address by a serial number. It is a prepaid card and will be topped up on 13/4/20, 27/4/20, 11/5/20, 25/5/20 and 9/6/20.

### Energy Companies

**Advice from Ofgem:** From today customers with pre-payment meters who may not be able to add credit can speak to their supplier about options to keep them supplied. This could include

nominating a third party for credit top ups, having a discretionary fund added to their credit, or being sent a pre-loaded top up card so that their supply is not interrupted.
